Freestyle arts and crafts at Bromley Park Care Home

Our ladies and gents at Bromley Park Care Home had a great time last week, getting stuck in to some crazy and colourful arts and crafts.

We covered our tables with all the crafting materials you could wish for - pegs, lolly sticks, pipe cleaners, wooden spoons, chopsticks, pom-poms, glittery decorations and glue!

Our residents had a wonderful time making all sorts of interesting creations including model crafts and planes.

We had a miniature wooden chair and an amazing pipe cleaner and peg combination made into glasses and earrings!

The session was great fun and we loved having a such good giggle. It was a brilliant way to get our creative minds and hands working!
