

## Fun in the sun and biscuit baking at Bromley Park Care Home

Our beautiful roses are in full bloom in our garden here at Bromley Park Care Home. ☀☀With the lovely recent weather, we've had some bubble fun in the sunshine, when many of our residents joined in with lots of laughs. ☺

We loved sharing many one-on-one moments with our residents last week; **Mohammed and Peter** went down memory lane looking at Interactive Me, whilst **Hilda and Christian** shared sweet moments and **Ken and Douglas** enjoyed a game of draughts.

We also baked **shortbread biscuits** from scratch, mixing and cutting them before they were baked in the oven. *Our residents were more than happy to sample them!*
