

Games and cookie decorating at Bromley Park Care Home

Games day

On Thursday 5 January we dedicated our morning to board games at Bromley Park Care Home; Connect 4, Chess and jigsaw puzzles, amongst other games.

It was such a fun morning, where our lovely residents **had fun challenging themselves** and spending time together.

Our dear **Loretta** gave a **masterclass in Chess**, while Colin demonstrated the art of strategy.

Cake decorating

Christmas is not quite over yet at **Bromley Park** as we've been busy **decorating some Christmas cookies!**

Our lovely Ellen, Colin, Dorothy, Peter and Kathleen all enjoyed being creative in decorating their festive biscuits, and then of course **enjoyed eating them!**

This afternoon activity was very enjoyable and we were able to reflect on how important it is to make the 'Christmas spirit' present in every day.
