

Halloween Crafts at Bromley Park Care Home

In preparation for the 'spookiest' night of the year - and our Halloween tea party - we have been preparing some ghoulish decorations here at Bromley Park Care Home.

We loved getting out all our arts and crafts materials - coloured paper, stickers, gems, pom-poms and letters - to make colourful witches hats to display in our **Home**.

Our residents thoroughly enjoyed getting creative and it was lovely to see such concentration and care being taken.

Lots of smiles could be seen around **Bromley Park** - what a lovely way to socialise!

We're looking forward to Halloween fun on Wednesday!
