

## Halloween fun at Bromley Park Care Home

**An exciting Halloween week at Bromley Park Care Home, with our residents helping to set up our spooky decorations.**

We  **painted our windows**  and enjoyed setting up our  **pumpkins and themed displays** .

We also had fun getting dressed up – *Douglas made everyone laugh with his costume!*

**Marion's sister also visited her all the way from Australia,** which was such a wonderful occasion. How special to be reunited after being so many miles apart.

**Mary** was happy to give our **popular shape puzzles** a try and really enjoyed the new challenge.
