

## Happy birthday to Eily at Bromley Park Care Home

**Our resident Eily celebrated her 99th birthday with us at Bromley Park Care Home this week.**

We presented her with a **colourful celebration cake** on her special day and she received some beautiful flowers, presents and cards.

Her husband brought in the special card they were sent from the Queen to mark their **70th wedding anniversary**, 2 weeks previously.

What a wonderful birthday celebration and a very special couple.

*Many happy returns Eily!*

Flowers, cake and special wishes from the Queen
