

## Happy birthday to Joyce at Bromley Park Care Home

**On Friday 28 May we enjoyed a day of celebration for our resident Joyce who turned 92 with us at Bromley Park Care Home.**

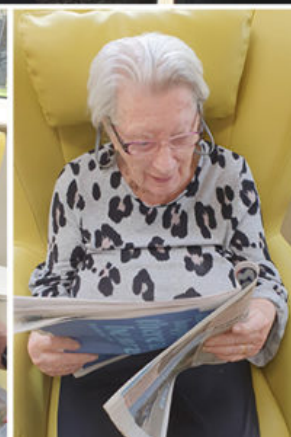

Her daughter Theresa made her her favourite **lemon curd cake** which they enjoyed under our gazebo in the garden, which we had decorated for her birthday.

Then came her second surprise, which was **another lovely cake, decorated with fresh strawberries**, made by our talented Chef Sanoj! Joyce had fun blowing out the candles.

Joyce was delighted to be indulged – including having her **nails painted** red for her birthday - and was very grateful for all the spoils and pampering she received on her special day.

*Many happy returns Joyce!*

Joyce loved all her treats!
