

Happy birthday to Phillip at Bromley Park Care Home

We recently celebrated the 91st birthday of our dear resident Phillip here at Bromley Park Care Home.

We sang '*Happy birthday*' to Phillip and presented him with a **wonderful tiered cake**, with chocolate on the top and Battenberg slices around the edge, which he was delighted with!

Residents **Colin and Rita** joined in the **celebrations**, as we all made his day a special one.

Many happy returns Phillip – wishing you health and love from everyone at Bromley Park.
