

Karaoke and food tasting at Bromley Park Care Home

Our residents at Bromley Park Care Home have enjoyed singing on the karaoke recently and "It's a long way to Tipperary" is always a popular song!

We have also been making salt dough ornaments and we're just waiting to paint them now. We know they'll look perfect when finished.

Our ladies and gentlemen have also enjoyed a fun food tasting activity. Our lovely Rita help to prepare the food and everyone enjoyed tucking in to some different cheeses.

Hilda said she really enjoyed her cheese and crackers and would like to do this again soon!
