

Live music and flower arranging at Bromley Park Care Home

Last week our Bromley Park Care Home residents really enjoyed some live music together.

We were delighted to welcome an **entertainer** to our Home who performed a selection of **songs from the 50s and 60s** including some Elvis, Neil Diamond and many more!

As you can see, **Brenda and Colin enjoyed a dance together** and there was lots of singing and dancing from everyone. **Engin also took part in some chair dancing** with one of our lovely team members.

We also enjoyed some **flower arranging** and we were delighted to see how keen our residents were to take part.
