

Music and Christmas activities at Bromley Park Care Home

Live music

On Saturday 2 December we had some live music here at Bromley Park Care Home, provided by Andre Dennison and his saxophone. Our residents really enjoyed his visit and did lots of dancing!

Thanks to our lovely team members, **Dorothy, Kelly, Christian and Nidhin**, who all got involved dancing with our residents. It was such a fun afternoon, thoroughly enjoyed by everyone, with lots of smiles.

Christmas lanterns

To get into the festive spirit, our residents Rita, Engin and Colin have enjoyed listening to **Christmas music** and making **colourful Christmas lanterns** – which look great!

The magic of snow

We're all dreaming of a white Christmas, so we thought we'd get in some practice! Our residents had a lot of fun making and **playing with artificial snow**.

As you can see, Rita, Ellen, Colin and Janet all had a great time!
