

Music and dance at Bromley Park Care Home

Our residents love music and enjoy a good dance here at Bromley Park Care Home.

We recently held a music workshop with our ladies and gents which they thoroughly enjoyed, having fun with ukuleles, shakers and bells. Great fun!

Dorothy enjoyed playing the triangle and Kathleen even had a little dance in her chair!

Our Health Care Assistant Liam and resident Elsie loved having a dance to some musical soundtracks.

A lovely way to spend time together, enjoying some rhythms and tunes.
