

## **Music and memorabilia at Bromley Park Care Home**

### **Happiness is music**

On Thursday 3 August residents and staff Bromley Park Care Home were pleased to receive a visit from Andre, a fantastic musician. He played a wonderful mix of music on his saxophone. Our residents enjoyed this immensely and were dancing along!

## Rummage boxes

Our ladies and gentlemen here at **Bromley Park** have been enjoying our new 'Rummage boxes' – packed with memorabilia through the decades. They all really enjoyed looking through them and speaking about their discoveries.
