

New menu food tasting day at Bromley Park Care Home

In preparation for our Winter Menu, we held a meeting with our residents to discuss the types of food they would like included here at Bromley Park Care Home.

We had some great feedback from our ladies and gents:

Kath requested chicken and peppers.

Rita wanted to try something with rice.

George said the food is lovely but he would like more beef.

Brenda commented that she would like shepherd's pie.

Susan suggested rock and chips as something to include.

Our Chefs developed a **Taster Menu** and we gathered everyone to try it out. Our residents enjoyed tasting **shepherd's pie**, **beef stroganoff**, **sausage casserole**, **special rice**, **chicken with bell peppers**, and **salmon and roasted vegetables in butter sauce**. A special **steak and chips** was also prepared. A real feast!

Our residents really enjoyed the new dishes and we look forward to seeing them on our Winter Menu soon.

A huge 'Thumbs Up' to our Kitchen Team for producing such delicious meals – Chef Rijo, Chef Trevor, Justin and Courage.
