

New Years Eve and birthday celebrations at Bromley Park Care Home

We had a very happy New Year's Eve here at Bromley Park Care Home when we hosted a tea party to celebrate together.

Our residents and colleagues had lots of fun with our **New Year props, taking photos** and enjoying the party atmosphere.

We also celebrated one of our **lovely lady's birthdays** during the week. She thoroughly enjoyed being surrounded by her **family** and loved her presents and **delicious chocolate cake**.

Many happy returns!
