

Pancake Day at Bromley Park Care Home

We had fun at Bromley Park Care Home for Pancake Day when Rita, Jean and Linca got stuck in to making pancakes themselves.

They **mixed the ingredients** and put their hands in the dough to make pancakes, served with strawberry and orange jams and fresh fruit.

It was great to see **everyone interacting** and having some **laughs together** – and then enjoying the fruits of their labours with a nice cup of tea. *Delicious!*
