

Pizza making fun at Bromley Park Care Home

Pizza creations

We had a great time making pizzas together recently at Bromley Park Care Home.

Together with **Donna, Stephen, Kathy K, Joyce** and **Dorothy B** loved mixing the dough and decorating their pizza bases that they topped with tomatoes, Italian mixed herbs and cheese.

They did a fantastic job and their **delicious creations** were later enjoyed as a pre-dinner snack. *Yum!*

Ball games

Eddie, Ken, Peter A and **Dorothy B** happily joined in playing ball catch games with Douglas in our conservatory last week.

These types of games are a great way to exercise **hand-eye coordination** and are a fun way to **socialise**, which our residents truly enjoy.

Get ready to catch!
