

Queens birthday tea and ballet fun at Bromley Park Care Home

Our Bromley Park Care Home residents have had another eventful week.

Birthday wishes for the Queen

We celebrated the Queen's birthday with a **lovely tea party** with **delicious cakes** and **fresh strawberries and cream**, all served in a beautiful tea set which our residents loved.

It was wonderful to see everyone tucking into their cakes and cups of tea being poured. *Delicious!*

We hope her Majesty enjoyed some cake on her special day too!

Ballet with Christian

We had another an **amazing ballet session** with the talented Christian who offers '*Ballet in the park*' sessions.

Our residents and staff had great fun, trying out some moves and enjoying the atmosphere.

We've also been enjoying some **balloon games** with our residents – our gents are particularly skilled at it and love to join in with staff!
