

Remembrance Sunday and birthday wishes for Kathy at Bromley Park Care Home

We celebrated Remembrance Sunday at Bromley Park Care Home and made some beautiful poppy decorations and displays to honour our service men and women.

Our Home Manager John kindly gave a service in our lounge, which our residents loved.

As part of the day, we celebrated with a dance and a sing song from one of our favourite entertainers here at Bromley Park – **Anna sang songs from the wartime** and also performed our residents' favourite tunes. Everyone thoroughly enjoyed the music.

Our resident **Kathy** was also celebrating her birthday and was delighted to receive some lovely cards and her delicious chocolate cake. *Many happy returns!*
