

St Georges Day celebrations at Bromley Park Care Home

Our lovely residents at Bromley Park Care Home enjoyed a special themed tea party celebration for St George's Day on Saturday 23 April, with English flags a plenty!

Our residents love a tea party! There was a delicious spread of **scones with marmalade, strawberry jam and clotted cream**. Tea was served in our residents' favourite tea set and those who wanted to could enjoy a nice glass of bubbly.

The party was enjoyed by everyone – *we're sure St George would thoroughly approve!*
