

St Patricks Day treats and music at Bromley Park Care Home

We enjoyed celebrating St Patrick's Day together here at Bromley Park Care Home with some delicious treats.

Our residents spent the afternoon eating some homemade delicacies that Ellen and Alipio had prepared for our residents, including an amazing iced cake, which took centre stage with afternoon tea! They also tucked in to some beautiful cheese boards at supper time.

Nicola and Crystal delivered a huge '**pot of gold**' filled with chocolates for our residents and staff at **Bromley Park**.

Nicola finished the celebrations by playing some favourite **Irish songs** on her guitar. Nicola has the most incredible tone to her voice.

Bromley Park has definitely got talent!
