

Summer garden party fun at Bromley Park Care Home

Last week we held our summer party in our garden at Bromley Park Care Home.

We had a **beach theme** and our residents made lots of lovely decorations in the lead up to the event.

On the day we had **hook a duck and velcro darts** for the children to play. They also enjoyed throwing **sponges and buckets of water** over our Manager John and team member Louisa, who bravely took to the **stocks**!

Our **singer for the event was Anna**; she is a regular at our Home as is very popular with our residents and relatives. We served **hot dogs and cakes** which went down very well with everyone too.

Our ladies and gents really enjoyed it, especially choosing and eating their sweet treats from the **visiting ice cream van**!

We were delighted to be joined by lots of family members at the party and it was a great success. Our residents are still talking about it, especially the stocks and buckets of water over our staff!
