

Sweet Valentines Day moments at Bromley Park Care Home

We enjoyed many special moments shared between our residents and staff on Valentine's Day here at Bromley Park Care Home.

Rita and Jean were happy to pose for a **Valentine's photo** and Elzette presented Ellen with a beautiful **red rose**.

Singer Neill entertained us all with beautiful love songs including Dean Martin, Frank Sinatra and Nat King Cole, to name a few!

So many laughs and smiles on a very happy Valentine's Day.
