

Swing painting and cake baking at Bromley Park Care Home

Swinging paint art

Our Bromley Park Care Home residents Tony, Rita and Colin enjoyed some swinging paint art recently, using a large white sheet and cups of paint suspending and swinging from a rod.

Everyone loved making a mess as they enjoyed swinging the paint cups.

We were really pleased with the end result – *Jackson Pollock would be proud!*

Football and baking

Our resident **Colin** has enjoyed playing football with our team members and it's been great to see him showing off his skills.

He also joined Engin and Rita to make some **cupcakes** together.
