

## Tea cup collage at Bromley Park Care Home

Lilliana and Peter enjoyed lots of laughs together at Bromley Park Care Home last week while making a teacup-shaped collage.

Peter coloured in his teacup and added **decorative jewel stickers**. This is a new creative activity introduced by our team, which was great fun and definitely one they'll be doing more of.

Janet and Irene also had an enjoyable session last week, paging through one of our many **books** in our reading area.

Enjoying arts, crafts and reading
