

## The D-Day Dollies perform at Bromley Park Care Home

We commemorated the 80th anniversary year of D-Day here at Bromley Park Care Home with some wonderful themed entertainment.

We welcomed the **D-Day Dollies** to our Home, who were dressed in **wartime uniforms** and sang a selection of **classic 1940s tunes**.

Our residents commented how much they loved dancing and singing along to all the familiar songs. *What a special day to reminisce and celebrate together.*
