

Valentine hearts and flowers at Bromley Park Care Home

Love was in the air at Bromley Park Care Home on Valentine's Day this weekend.

We made a beautiful display for everyone to enjoy, with a heart made from **roses, heart shaped balloons, vases of flowers** and a **magnificent heart-shaped celebration cake** made by our Chef.

Our residents and staff enjoyed a Sunday full of love, laughter and a little bit of fizz!

Cupid's arrow certainly didn't miss Bromley Park!

Made with love...
