

Valentine treats and entertainment at Bromley Park Care Home

We celebrated Valentine's Day from the off here at Bromley Park Care Home, when our Chefs created a wonderful breakfast – a vision of delicious meats, cheeses, fruits and croissants, complete with heart-shaped chopping board! What a delight for the eyes and tummies!

The treats continued as we organised a beautiful **Valentine's themed table** laid with roses, heart-shaped chocolates, balloons and sparkling wine!

To celebrate the day, we welcomed **singer Anna Broadley** who entertained our residents and staff with her amazing talent! There was singing, dancing and lots of smiles and laughter throughout our **Home**.

And to top it all, our talented Chefs created beautiful **Valentine's themed desserts** for all to enjoy, featuring an abundance of delicious cupcakes and a heart covered showstopper cake!

It was a lovely fun-filled day enjoyed by all. *We're certainly feeling the love at Bromley Park!*
