

Wedding anniversary celebrations at Bromley Park Care Home

On Monday 26 September Derek and Daphne celebrated their 58th wedding anniversary with us at Bromley Park Care Home.

*It was made extra special for Derek's wife as our team helped to support Derek with buying a **card and flowers** for her, and our kitchen team made the couple a **beautiful cake**.*

Daphne was so surprised and thankful for such a super day of celebrations.

Huge congratulations to a very special couple.
