

## Winning Crafty Crown presentation at Bromley Park Care Home

We were delighted to welcome Viv Stead, Nellsar's Recreation and Well-Being Manager, recently when she visited Bromley Park Care Home to present our team with their certificate and prize money for winning [Nellsar's Crafty Crown competition](#), which was part of our coronation celebrations.

*Our residents have already decided that they would like to spend the money on a **trip to the seaside** – and for those who can't make it out of our Home, we will bring the seaside to them! Others are keen to get to **London for a sightseeing tour**.*

*Our Activities Team staff are looking forward to both trips out with our ladies and gents.*
