

Wishing Mark a very happy birthday at Bromley Park Care Home

Last week we wished our Maintenance Manager Mark a very happy birthday here at Bromley Park Care Home.

Mark is a very valued member of our team who is passionate about **Bromley Park** and shows this in his commitment to his work and our staff and residents every day.

Mark's cake was amazing! It was covered with sweets and edged with chocolate fingers – a true masterpiece made by his wife.

Many happy returns dear Mark, we're glad you had a super day!
